

Four ways to support Prop. 4

Proposition 4 Sarah's Law will protect minor girls in California from the sexual abuse allowed by and the health risks of secret abortions by requiring one family member be notified prior to a minor receiving an abortion.

1. Talk about Sarah Law

The campaign is happy to provide talking points that make speaking or writing about *Sarah's Law* as easy as it is important. Some venues include:

- Flyers (English and Spanish)
- Church groups and Christian organizations
- Community groups (PTA, Rotary Clubs, etc...)
- Letters to the editor (we have helpful suggestions)
- E-newsletters (write your own or forward ours)
- User groups, blogs, Facebook, YouTube, etc...

2. Distribute material

Promotional materials help to educate and motivate voters to support *Sarah's Law*. These can be distributed by individuals or groups to churches, organizations, at events and even door to door. Promotional materials include:

- Flyers (English and Spanish)
- Yard signs, bumper and clothing stickers

3. Donate

Donations help cover the cost of promotional materials and sponsor media advertisements promoting *Sarah's Law*. Even small donations from individuals and organizations can go a long way in helping to protect minor girls in California from sexual predators.

- Donate by credit card or PayPal online at YESon4.net
- Take a special offering at church for Sarah's Law
- Suggest a donation by a local group or organization

4. Get out the vote

Protecting minor girls in California from sexual predators is a serious issue. For this reason Prop. 4 needs and deserves massive grassroots support. Only by working together can we pass family notification this November. You can help by:

- Registering voters in your community through your church or organization
- Motivating voters through promo material and playing Yes on 4 videos and/or audios for your church or organization
